

Foundation Spring Newsletter

Welcome back after the Christmas break. We're looking forward to a busy Spring term.

The team:

Miss Goodger (Nursery Teacher)

Miss Nicolls (Nursery TA)

Mrs Foxall (Reception Teacher)

Mrs Matto (Reception TA)

This term's topic:

This term our enquiry question is 'Can we make the world fair?'. The Driver for this Enquiry is Geography so we will be comparing India with where we live. Each week we will use a quality text to support our learning.

Nursery	Reception

Reading Books:

Don't forget we have our reading challenge. Children score points for every read they do at home and get to move their lolly stick along our reading track every week. Children love to collect their badges! Please continue to bring your reading book and diary to school everyday.

How you can help your child with their learning at home:

- Putting on coats independently.
- Practising name recognition and name writing.
- Opportunities for drawing and cutting.
- Counting at every opportunity.
- Spotting numbers and number patterns in the environment.
- Sharing a bedtime story.

Useful information:

PE for Nursery is on a **Thursday**. PE for Reception is on a **Monday**. Please ensure your child comes to school dressed in the correct PE kit.

If you haven't already signed up for Class Dojo or Tapestry, please try to do so as soon as possible. Accessing Class Dojo and Tapestry will enable you to see what we are doing in class and will also allow you to see how your child is doing.

Kind Regards

Miss Goodger (Nursery Teacher)

Mrs Foxall (Reception Teacher and EYFS Lead)
